

**ROCK SHOP - 80'S Hair Rock Tribute** is a rockin', gnarly, totally tubular, nostalgia filled tribute party, bringing back the glorious stadium-rock of the 1980s!!!

Combining an all-star performing group with members of Hysteria - Def Leppard Tribute and Dr. Crüe - Mötley Crüe Tribute, ROCK SHOP nails the Hair Rock era with authentic costuming, instruments, hair and makeup of the 80s.

Simply put, this band delivers a full-on party night, which never fails to get the crowd singing, dancing and rocking along!

In addition to club, casino and festival appearances, **ROCK SHOP** is also available for private and corporate events (live or streamed). Contact the band for more info!

So, put on those ripped jeans or slap on some spandex, tease that hair up high and let's party, duuude!!
